# OUR GOALS

## SUPPORT

Inviting businesses in West London from every industry and supporting them by opening up potential new opportunities.

## ENCOURAGE

Aiming to encourage trade between larger enterprises and SMEs within the Borough.

## CONNECT

Striving to create a positive impact in our community, while enjoying connecting our members with local charities, sporting teams and educational institutions.

## COMMUNITY

We are actively involved in various charitable endeavours with a commitment to making a positive impact in the community.

During 2022 we raised funds for H&F Giving, a local charity dedicated to improving lives in the Hammersmith and Fulham area.

In May 2023 we raised over £800 for the Chelsea Foundation, the charitable arm of Chelsea Football Club, at our monthly networking event that was attended by over 130 people.

In March 2023 we extended our support to the official charity of Queens Park Rangers Football Club. Bringing together the West London business community to take part in a friendly football match at Loftus Road Stadium, we raised funds for the QPR Community Trust and the Down Syndrome Kid's Football Team.
